

THE BOARD OF HEALTH

DISCUSSION ON THE CITY'S FUTURE CEMETERY LOCATION.

Petition for Dr. Davison's Reinstatement at Lahaina—Reports of Inspectors and Agents.

President W. O. Smith presided at the regular meeting of the Board of Health held yesterday afternoon and the proceedings were as follows:

Dr. Monsarrat reported making 70 examinations during the week under the Act to Mitigate, and Fish Inspector Keliipio the receipt of 47,000 fish at the market. Mr. Keliipio was made an authorized agent of the Board and his right to condemn fish and take other sanitary measures at the market can no longer be questioned.

Mr. Smith read a petition, signed by 128 natives, asking that Dr. C. Davison be reinstated as government physician at Lahaina. Laid over for consideration.

The same gentleman then announced that he had made arrangements with the I. I. S. N. Co. for the steamer Iwalani to take the Board of Health and others to Molokai a week from Friday. Also that he had visited the Insane Asylum during the week with Drs. Wood and Day and others and the determination had been arrived at that the need of more room at that institution was imperative. Mr. Reynolds had been instructed to procure estimates of the cost of an addition and report to the Board. This action was approved.

President Smith then brought up the matter of a new cemetery by stating that a survey of a new site, containing 48 acres, had just been completed. This tract was situated just this side of Maunaloa and in the opinion of the speaker was the most eligible and desirable to be obtained within a reasonable distance of the city.

Dr. Day thought that the proposed location was too close to the city in view of its present rapid development in that direction. The Board instructed its secretary to inform the Minister of the Interior that if a cemetery could be established within the limits of Honolulu district, the Board of Health was aware of no better place than the Maunaloa site. Also, that some of the members had considered a place outside the district of Honolulu better for the purpose.

After reading a letter of thanks from Dr. E. S. Goodhue for his appointment to Wailuku, and authorizing Dr. Wood to obtain a fresh supply of anti-toxine, the Board went into the usual executive session.

Information for Tourists.

A passenger by the last Colonial steamer was met on the dock by a Milesian American friend, who resides in Honolulu. As the pair waited to have the newcomer's gripsack scrawled over with chalk marks by the Customs Inspector at the gate the stranger remarked to his friend "Do you 'ave much rain 'ere?" RAINIER me boy, gallons of it, just come up to the Anchor Saloon where they keep it always, clear and cool. We'll just be in time for lunch too and that's the only place in town where they serve it up in proper style with a glass of RAINIER BEER to equilibrialize the solids—They went!
